## SUMMARY

Innovative and detail-driven Web Developer with strong problem-solving ability and a product-focused mindset. Experienced in designing and developing scalable digital solutions, integrating modern AI capabilities, and applying DevOps-oriented practices for smoother delivery. Skilled at understanding client requirements, creating meaningful user experiences, and building systems that are reliable, efficient, and impactful. Committed to continuous learning and delivering high-quality work that adds real value.

## TECHNICAL SKILLS

**Languages:** JavaScript, Java, Python

**Frontend Development:** React.js, Next.js, Tailwind, Framer

**Backend Development:** Node.js, Express.js, Spring, Spring Boot, JDBC, JPA, Hibernate, JWT, REST APIs

**Databases:** MySQL, MongoDB

**DevOps & Deployment:** Git, GitHub, Vercel, Linux, Docker, Jenkins, K8S AWS

## INTERNSHIP

### GogalEdu Academy

Nov 2025 – Present

*Web Developer Intern*

*Remote*

- Building a full-stack LMS platform using Next.js, Spring Boot, MySQL, and Docker with admin panel, payments, and user management.
- Deploying on Hostinger VPS using Jenkins-based CI/CD and Cloudflare for security, DNS, caching, and performance optimization.
- Developing both frontend and backend modules end-to-end, ensuring scalable architecture and seamless user experience.
- Implementing secure video delivery using Cloudflare Streams and applying role-based access, JWT auth, and hardened API security.
- Managing full deployment pipeline using Docker, Jenkins, Nginx, and VPS automation for reliable and efficient production releases.

## PROJECTS

### Gaprio AI Workspace | Next.js, JavaScript, AI, Real-time

Present

- AI workspace for team collaboration with multi-user chatbots and group features.
- Built scalable platform focusing on business management and real-time collaboration.

### Balaji Training Portal | Java, Spring Boot, NextJs, MySQL

June 2025 – August 2025

- Government-certified training platform with PDF certificate generation and admin dashboard.
- Implemented role-based access control and processed 1000+ student enrollments.

### Stack Connect | Next.js, Spring Boot

Sep 2025 – Present

- Developer community platform with real-time chat, code sharing, and collaboration tools.
- Building the entire platform end-to-end as a solo developer.

## EDUCATION

### Maulana Mazharul Haque Arabic & Persian University, Patna

Aug 2024 – Jun 2027

*BCA - Bachelor of Computer Applications*

*Patna, Bihar*

## ACHIEVEMENTS

- **Completed 5 client projects**, delivering full-stack and AI-driven solutions
- **Worked with 2 early-stage startups** as a core developer.
- **Winner** – B-Plan (Fish Tank) Competition at **MNNIT Allahabad**.
